

ECZACIBAŞI BUILDING PRODUCTS OCCUPATIONAL HEALTH AND SAFETY POLICY

As a company that is aware of its responsibilities towards employees, society and stakeholders, our purpose is to provide a safe and healthy working environment to our employees.

As we strive to achieve this purpose, we are committed to;

- Assessing all risks to ensure safety and health of our employees and planning, implementing, developing and continuously improving the necessary measures,
- Complying with all legal requirements regarding occupational health and safety,
- Ensuring continuous development that will meet the expectations of employees and clients based on the technologic and sectoral innovations beyond the requirements of the legislation,
- Implementing precautions that will eliminate the hazard at its source,
- Providing trainings for our employees to raise awareness against accidents, injuries and illnesses
- Providing trainings to ensure correct and continuous use of personal protective equipments,
- Ensuring continuity and development of our occupational health and safety management system,
- Contributing to the health and safety of society through our production technologies and products.
